USB113

Switch-Mode USB Charger

Item ref: 661.113UK

User Manual

Function:

This versatile, energy efficient USB charger has 4 USB outlets and is supplied with a universal power supply with 4 detachable plugs making it usable in most countries around the world. With a high output of 5.2V @2000mA, this unit makes charging your device quick and efficient, ideal for anyone travelling.

4 x USB outputs for charging more than one device at the same time
4 plugs supplied (UK, European, American and Australian)
Up to 2000mA output for minimum charge time
Uses 25% less power compared to standard chargers
Materials used and manufacturing process are more environmentally friendly

Technical data:

Input Voltage:	AC 100 - 240V 50/60Hz
Output Voltage:	DC 5.2V
Output current:	2000mA max.
Output power:	10.4W

Instructions:

1. Please read these instructions fully before using this apparatus.
2. For office equipment use only.
3. Check the housing for damage.
4. Connect the unit to be powered to one of the USB sockets.
5. The unit to be powered **must not** draw more current than the maximum continuous current of the power supply, in order to prevent overload. (The continuous current draw, should be no more than 80% of the output current max.).
6. Plug the power supply into a wall outlet.

Warning:

1. For indoor use **ONLY**.
2. Risk of electric shock, **do not open**.
3. **Do not** install and operate the device in extreme heat, moisture or dusty environments.
4. **Unplug** the power supply when not in use.
5. The appliance is not intended for use by children or infirm persons without supervision.
6. This appliance is **not** intended for use by persons (include young children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
7. Young children should be supervised to ensure they do not play with the appliance.
8. This unit is double insulated.

Disposal:

Please dispose of this device according to the current statutory requirements.
